Home student funding

The UK Government Master's Loan provides funding of up to £13,206 for students starting their postgraduate studies after 1st August 2026. The loan is available to students who are normally domiciled in England.

The Postgraduate Master's Loan is to help with your course and living costs while you're studying and has to be repaid.

There are separate loans for students domiciled in Wales, Scotland, and Northern Ireland.

To apply for a Postgraduate Master's Loan, you must:

- be a UK or Irish Citizen or have 'settled status' (no restrictions on how long you can stay in the UK)
- normally live in England
- have been living in the UK, the Channel Islands or the Isle of Man for 3 continuous years before the first day of your course, apart from temporary absences such as going on holiday.

Applications for Postgraduate Master's Loans for all our master's programmes are now open.

Home or international fee status?

Home students are UK/Irish nationals or permanent residents who have resided in the UK or Ireland for the past three years.

International students are all other students. Your tuition fee status will be confirmed in your offer letter.

Tuition fee payment options

Tuition fees can be paid in one lump sum, or by interest free semesterly instalments, or interest free monthly Direct Debits.

Home students who are taking out a tuition fee loan will not need to pay their fees to the university, as these are paid directly to the university by the Student Loans Company.

For personalised payment plans, alternative payment information, or further information, please contact studentfees@nulondon.ac.uk.
